

Publication

If the work has been published (i.e. Copies have been issued to the public) applicant is to give the year of publication and the country where the publication first took place. (If the work is unpublished the applicant is to indicate "NOT APPLICABLE" in the space provided.)

Bibliographical or other Identification (i.e ISSN or ISBN No.)

Applicant is to provide information relating to the identification of the work such as the ISBN and ISSN provided by the National library. Where work has been registered or catalogued by other agencies, or registered in any country information of such cataloguing or registration should be provided.

Medium of fixation

The applicant is to indicate as appropriate the medium of fixation for the work presented for copyright notification. Only one medium of fixation may apply to the work in this instance.

Any other format

Applicant is to state any other form in which the work is stored or saved, which may include any of the other forms provided in "Medium of fixation" or any other medium of carriage.

Particulars of previous existence or previous edition of work (if any)

Applicant to state particulars of previous edition of work if any. Where there is no previous edition, the applicant is to state **NOT APPLICABLE (in the space provided)**

Author (s) Particulars

The fullest form of the author's name should be given. This is the original creator of the work. In the case of a work having more than one author, the authors are co-owners of the copyright, unless there is an agreement to the contrary. In such a case, the names of all the authors and the agreement, if any should be disclosed. The author's name should be filled whether or not copyright presently belongs to him/ her, the employer or have been transferred. All other particulars of the author like date of birth, nationality, and country of residence should be disclosed. Where the author is dead, state the year of death.

Owner(s)

The copyright owner can be the author of the work, the employer of the author, or any person that obtained ownership through a transfer of ownership, such as an assignment. **Please note that a "licensee" is not an owner of copyright.**

PART II

Notification of Transfer of Copyright

Where Applicant is not original author, but has acquired a right in the work, the particulars of such right should be disclosed in part II of the form. State the nature of transfer, whether it is a license or an assignment, the parties, territory covered and duration where applicable. Applicants under this section are to provide a copy / copies of agreement entered into with copyright owner transferring the right.

Declaration

Applicants must endorse in all the spaces provided under this section. The space for "signed" and "date" must be filled appropriately before being endorsed at the Court Registry or before a Notary Public Failure to do so correctly will attract a query.
